DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-14, and 16-21 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The limitations of independent claims 1, 9, and 14 do not appear to be found in the Prior Art of Record.

The Prior Art of Record does not teach nor suggests in the claimed combination a last-in-first-out buffer wherein a given cell in the interior of the linear array is configured to asynchronously coordinate operations with only a preceding cell in the linear array and a subsequent cell in the linear array **without relying on external controls**.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
